Re: Temporary Pay Increase

TotalCare is committed to making sure we all get through this pandemic together. We appreciate and applaud your commitment to our members continued care and the courage you display everyday as you care for the most vulnerable members of our community.

Even though TotalCare is considered a small company we feel a responsibility to do what we can to help ease some of your stress. During this COVID19 Pandemic TotalCare will temporarily increase your hourly rate by \$2.00. This will be in effect as of March 31, 2020 and we will notify you in advance, when your hourly rate will revert back to it's original rate.

As a member of the TotalCare family, you and your families' well being and safety are very important to us. Please do not hesitate to call or email me with any questions or concerns.

Again, we will get through this together,
